RIDA™ DBT6400

OIDOIATACOGIC

A POCKET-SIZED SCANNER FOR TABLETS AND OTHER MOBILE DEVICES

Datalogic's RIDA™ DBT6400 cordless area imager with *Bluetooth®* wireless technology is the ideal workmate in a pocket-sized form factor to be used in connection with mobile devices, mainly tablets. The RIDA DBT6400 area imager is a small, ergonomic, perfectly handfitted wireless device with a modern and elegant design that will complement the trendy look of popular tablet vendors.

The RIDA DBT6400 imager pairs easily with Android™, Apple® iOS and Windows Mobile® devices as well as standard laptops equipped with *Bluetooth* wireless technology.

READING CAPABILITIES OF A TOP PERFORMING 2D HANDHELD IMAGER

This compact area imager is capable of reading 1D and 2D bar codes as well as low contrasted, damaged or poorly printed codes or bar codes with low back lighting from mobile phone screens. Its main features include image capture capability, white illumination and the most efficient aiming system in the market place.

VERSATILE MODELS AVAILABLE FOR RETAIL OR HEALTHCARE

The RIDA DBT6400 area imager is available in 2 different models:

- The standard version is suitable for retail applications such as traditional or mobile POS, assisted sales, shelf replenishment, price verification, inventory management and more.
- A healthcare version is equipped with disinfectant ready and antimicrobial enclosures which make the RIDA DBT6400 imager ideal for bedside point-of-care applications. The compact size and light weight form factor of this mobile imager offers freedom of movement while scanning, with the added benefit of preventing cross-contamination in the hospital.

R af Externe

 Outstanding reading performance on 1D/2D printed codes or on mobile phone screens

GREEN

- Innovative, unique and compact design for a new and modern operator's experience
- Bluetooth wireless technology for simple linking with tablets, smartphones, laptops, notebooks, etc.
- Compatible with Android, Apple iOS and Windows Mobile devices
- Vibration for sensitive, polyphonic speaker for audio and Datalogic's patented 'Green Spot' technology for visual good-read feedback
- Highly visible 4-Dot aimer with center cross for targeted scanning with efficient white illumination
- Batch Mode capability: 2,000 linear codes stored in memory
- Disinfectant Ready enclosures treated with anti-microbial additives (ISO22196 compliant)
- EASEOFCARE Service Plans offer a wide range of service options to protect your investment, ensuring maximum productivity and ROI

INDUSTRY-APPLICATIONS

- Retail: Traditional or Mobile POS, Assisted Sales, Shelf Replenishment, Price Verification, Inventory Management
- Healthcare: Bedside Point-of-Care, Asset Management
